

## HER HOME NO LONGER CHILDLESS

Operation not Necessary after Taking the Great Medicine for Women.

Miller's Falls, Mass. — "Doctors said I had displacement very badly and I would have to have an operation. I had a soreness in both sides and a pulling sensation in my right side. I could not do much work the pain was so bad. I was also troubled with irregularity and other weaknesses. My blood was poor. We had been married four years and had no children.

After using Lydia E. Pinkham's Vegetable Compound and Blood Purifier I became well and strong and was saved from the operation. We are now the parents of a big baby girl and I praise your remedies to others and give you permission to publish my letter." — Mrs. JOSEPH GUILBAULT, Jr., Bridge Street, Miller's Falls, Mass.

Lydia E. Pinkham's Vegetable Compound is famous for restoring women to normal health and strength. When this is done wives no longer despair of having children.

A woman should be reluctant to submit to a surgical operation until she has given Lydia E. Pinkham's Vegetable Compound a fair trial. If you have a case that needs special advice, write the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. It is free and always helpful.

## MEN OF DE RUSSY HOLD SMOKER IN HONOR NEW CO.'S

Comparing the reorganization of the Coast Artillery Corps under the new national defense act to a fleet of battleships each with its separate commander, Brig-Gen. R. K. Evans, commanding the Hawaiian department, addressed the men of Fort De Russy Thursday night at the smoker commemorating the passing of the old 10th and 55th Companies, C. A. C., now the 1st and 2nd Companies of Fort De Russy under the new army law.

The general told of the object of reorganization, explaining that under the new form each fort represents a separate command in the same manner that every fighting craft of the U. S. navy is an individual unit of a fleet. He compared each new command to a warship against the old form by which the Coast Artillery Corps was one organization made up of the various companies but having no individual existence.

There were close to 500 persons attending, including delegations from the various army posts on Oahu, especially the Coast Artillery forts. Officers and their ladies were also present and a number of invited civilians.

The principal speeches of the evening were made by General Evans and Maj. J. B. Douglas, post commander of Fort De Russy.

On the program, which was arranged by 1st Sgt. W. S. King and Sgt. J. J. Tobin, were a number of fine features, including boxing matches, hula dances and various events which made the time pass quickly. The smoker was held in the open air on the lawn Ewa of the fort, with electric lights and a stage built for the occasion.

The boxing bouts were exceptionally good. There were two four-round matches between boxers of Schofield Barracks. Chaplain Ignatius Pealy, 1st Field Artillery, refereed. Other bouts were between Bobrowski and Schuman of Fort Shafter, and Mechanic Zimmerman of De Russy and Bob Price of Fort Ruger.

Hula dancing by the Adagio sisters and music by a Hawaiian orchestra proved a decided novelty. The program started at 7:30 and continued until close to 11 o'clock.

## 25TH IS ADDRESSED BY DR. R. C. BROOKS

Approximately 900 men of the 25th Infantry listened to Dr. Raymond C. Brooks Thursday afternoon at Schofield Barracks. This is the first visit of the doctor, who is giving a series of Sunday night addresses at the Opera House, to the military post.

Chaplain G. W. Prileau, who arrived from the Mexican border last month to assume the chaplainship of the regiment, introduced the speaker, who made a talk particularly appropriate to army men.

Sunday night the third lecture of the series will be given by Dr. Brooks. Special music has been arranged, with Mrs. Riley H. Allen as soloist, and a chorus of 50 voices. The Y. M. C. A. and Y. W. C. A. are holding the services.

## LARGER GUNS TO BE ORDERED FOR NEW NAVY SHIPS

According to the July 8 issue of Shipping Illustrated, larger caliber guns will be adopted for the principal batteries of battleships provided for in the appropriation bill. Says this publication:

"Following the recommendation of the general board, the navy department has decided to adopt 16-inch, in place of 14-inch guns for the main batteries of the battleships provided for in the new appropriation bill.

"Before the European war opinion was divided over the advisability of adopting the 16-inch gun. Because the smaller caliber gun has the flatter trajectory for the same range many naval officers believed that more accurate shooting could be done with 14-inch guns. The war in Europe brought about a decided change in the opinions of ordnance experts through the world, for the British 15-inch guns accomplished wonders.

"At the Dardanelles the British battleship Queen Elizabeth threw her 15-inch projectiles into earthworks 20 miles distant and with great accuracy.

"The general board's first recommendation for the new U. S. battleships was to make them of approximately 36,000 tons displacement, larger, therefore, than the new battleships Tennessee and California, and to arm each ship with 10 16-inch guns. The board's recommendation is now for eight 16-inch guns. It may also be stated on authority that the projectiles will weigh considerably more than a ton each, and that they will have an effective range of about 50,000 yards.

## GEN. EVANS TO ATTEND DINNER AND RECEPTION

Brig-Gen. and Mrs. R. K. Evans will be guests tonight of Mr. and Mrs. A. G. Hawes at a dinner party being given by the Haweses. Following the dinner the general and Mrs. Evans will attend the reception and dance being given this evening at Fort Shafter in honor of those officers of the 2nd Infantry who have been assigned to commissions in the new 32nd Infantry, to be formed next week.

## NATIONAL GUARD ORDERS July 27, 1916.

Special Orders, No. 57.

1. That portion of Par. 3, SO 47, AGO, T. H., dated June 8, 1916, which applies to the examination of 2nd Lieut. Thomas J. K. Evans, 1st Infantry, is amended to read as follows:

Lieut. Evans is appointed subject to future examination, in accordance with Sec. 75, National Defense Act of June 3, 1916.

2. Par. 2, SO 40, AGO, T. H., dated June 29, 1916, is added to as follows: Maj. Osmer is promoted subject to future examination, in accordance with Sec. 75, National Defense Act of June 3, 1916.

3. 1st Lieut. T. B. Buch, 4th Infantry, is granted a leave of absence of three months and 20 days from August 1, 1916, with permission to travel beyond the limits of the territory.

4. Serrgt. Reynold B. McGrew, M. G. Co., 1st Infantry, will be honorably discharged by the commanding officer, 1st Infantry, to accept a commission in the National Guard of Hawaii.

5. The following appointment in the National Guard of Hawaii is announced for the information of all concerned:

Reynold B. McGrew, to be 2nd Lieut. of Infantry, with rank from date hereof.

Lieut. McGrew is assigned to the 1st Infantry and will report in person to his regimental commander for assignment to duty.

Lieut. McGrew is appointed subject to future examination, in accordance with Sec. 75, National Defense Act of June 3, 1916.

6. Pvt. Frank B. Cosgroves, Co. D, 1st Infantry, is granted a furlough to September 15, 1916, with permission to travel beyond the limits of the territory.

## DEPARTMENT HOSPITAL CHANGES.

1st Lieut. George R. Callender and Raymond W. Bliss, Medical Corps, have reported at the department hospital, Fort Shafter, for duty, as recently ordered. They have been stationed at Schofield Barracks.

Capt. Leopold Mitchell, Medical Corps, will leave the department hospital tomorrow, to take up medical work at Schofield Barracks, as also recently ordered.

## TO PREVENT OLD AGE COMING TOO SOON

"Toxic poisons in the blood are thrown out by the kidneys. The kidneys act as filters for such products. If we wish to prevent old age coming too soon and increase our chances for a long life, we should drink plenty of pure water and take a little 'Anuric,' says the famous Dr. Pierce of Buffalo, N. Y.

When suffering from backache, frequent or scanty urine, rheumatic pains here or there, or that constant tired, worn-out feeling, the simple way to overcome these disorders is merely to obtain a little 'Anuric' from your nearest druggist and you will quickly notice the grand results. You will find it thirty-seven times more potent than lithia, and that it dissolves uric acid as hot water does sugar.—Adv.

## NATIONAL GUARD RIFLE RANGE IS READY FOR USE

Work on the National Guard rifle range has been completed and target practise will begin next week, according to Brig-Gen. Samuel I. Johnson, N. G. H., who made a visit to the range this morning.

"As soon as telephone wires are put in by Field Company A, Signal Corps, we will be able to start target practise," said the general. "Everything is ready, targets, frames, rifle pits and markers."

The new range is of sufficient capacity to enable an entire company of

## OAHU FRACTIONS OF STOCK TO BE AUCTIONED OFF

At public auction next Tuesday morning there will be sold 175 shares of stock in the Oahu Sugar Company. This block is the combined total of fractions that result from the issuing of one share of new stock for each five of old that were outstanding. Where the shares of any holder were new stock to him did not come in even shares, the fractional allotment is to be put up at auction. All of these have been combined and the result is 175 full shares.

Jas. F. Morgan Company has been selected by the Oahu Sugar Company to auction off the block of stock resulting from the fractions of new shares. This sale will occur August 1 at 10 o'clock and it is understood that the terms will be the highest bidder may take one share or all. It may be that some holders will wish to make their holdings an even lot and will take advantage of this opportunity, to do so.
